Score: 10

(trees) are obstacles  
weeds

bomb punishment

## User Interface Design (&Mockup)

- “Ghosts” are designed to Moving Enemies, and “ghosts” cannot move through trees and bushes.
- The “bomb” is designed as a Punishment, when stepping on the bomb, the user's score will be reduced by three points.
- “Cash” is designed as a Regular Reward, when users get “cash” game score plus one.
- “Money Bag” is designed as Bonus Reward, when user get “money bag” game score plus five.
- Tree and bushes are designed as blocking cells.
